## MEMORANDUM OF UNDERSTANDING

The objectives of Junior Reserve Officer Training Corps (JROTC) are to educate and train high school cadets in citizenship, promote community service, and instill responsibility, character, and self-discipline. Consequently, it is imperative that each cadet is forewarned of and agrees to comply with the standards of conduct established for the Program. Failure to comply with these standards could result failure of the course and removal from the Program.

This document serves as an agreement between all parties concerned with students enrolled in the Air Force JROTC Program which includes the AFJROTC staff, the potential cadet, and their parent(s) or guardian(s). Both the cadet's and his/her parent's or guardian's signatures are required on this document for participation in the Program.

Participation in JROTC does not commit or obligate any student to military service. It does not guarantee special consideration if a student chooses to enter any service. However, a cadet who completes two or three years of JROTC may qualify for advanced rank upon enlistment in the military. Additionally, students who are enrolled in their senior year may be eligible to compete for ROTC scholarships.

### Standards of Conduct

- Adhere to all grooming standards as established in the Cadet Contract.
- Uniforms are issued free of charge; however, cadets will pay for any lost or damaged uniform items.
- Uniforms must be worn once each week on prescribed days and will be worn for that entire school day.
- Uniforms will only be worn when authorized by a JROTC instructor whether in school or not.
- An activity fee may be associated with some JROTC programs.
- Ability to participate in physical activity

I understand and agree to comply with the provisions outlined above.
